PURCHASE ORDER SUPPLEMENTAL TERMS & CONDITIONS

If this Order is in connection with a U.S. Government prime contract or subcontract, as indicated on the front page of the Order, in addition to Votaw Precision Technologies, Inc.'s General Terms and Conditions, the following Supplemental Terms and Conditions shall apply. Buyer is flowing down to Seller certain provisions and clauses from the Federal Acquisition Regulations (FAR) and the Department of Defense FAR Supplement (DFARS), (collectively, "FAR Clauses"). The parties hereby agree to amend these Supplemental Terms and Conditions to include any additional or revised FAR Clauses incorporated in Buyer's Government contract that are applicable to the performance of this Order. Seller shall flow down to its lower-tier subcontractors all applicable FAR Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer's Government Contract. In addition, the term "Commercial Item" means a commercial item as defined in FAR 2.101.

These FAR Clauses flowed down by Buyer to Seller may require submission of certificates. All such required representations and certificates made by Seller in connection with these FAR Clauses, including all such certifications submitted by Seller with its Offer, are hereby incorporated in this Order by reference. Seller shall with respect to applicable FAR Clauses flowed down, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any FAR Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller's compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word "certificate" shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

Seller shall indemnify and hold Buyer harmless from and against any price reduction in Buyer's Government contract, as well as Buyer's reasonable attorney fees and other direct costs to defend Government contract claims when said reduction is attributable to the failure of Seller or Seller's subcontractors to properly discharge applicable clauses incorporated by reference in accordance with this provision. In the event that any Supplemental Term or Condition is determined to be inconsistent with any printed General Term or Condition or any "other" term and condition of this Order, the Supplemental Term or Condition shall govern.
